Were there any significant obstacles to learning that were beyond the control of the instructor (e.g., scheduling or technology problems, university closings, limitations caused by other students or by group dynamics)? If so, please explain.

Comments
Everything went very smoothly.
not really, the class was great and professor Gui made it fun!

The building was far from the student parking and walking alone at night to the parking is an issue

What 2-3 aspects of this course were most valuable to your learning experience?

Comments
the experiments, in-class exercises, and homework questions
having the slides before the class helped me understand the topics, even having the book. Also professor Gui would use real life examples to help us understand,
The instructor was very nuance and balance about microeconomics. The slides were very helpful.
material instructors hard work
